

APICS

CLTD

CERTIFIED IN LOGISTICS, TRANSPORTATION AND DISTRIBUTION

The APICS Certified in Logistics, Transportation and Distribution (CLTD) provides a comprehensive body of knowledge, best practices and standards for those in the logistics, transportation and distribution industries.

CLTD serves the needs of both professionals and employers around the world by making you a more valuable asset to your organization and keeping you and your organization more competitive in today's global economy.

ASCM ASSOCIATION FOR
SUPPLY CHAIN
MANAGEMENT

Why should I earn the CLTD?

Earning the APICS CLTD demonstrates expertise in streamlining and optimizing logistics, transportation and distribution including order management, distribution inventory management and warehouse management.

After earning your CLTD you will be able to:

- η Improve distribution inventory management
- η Develop and monitor warehouse performance metrics
- η Identify and mitigate risk in logistics and transportation
- η Manage and execute orders with an emphasis on logistics
- η Identify and maintain optimal inventory levels including costs, controls and policy

What will I study?

The CLTD Learning System content is divided into nine modules across two books. The content is integrated with best practices in the day-to-day functions of logistics professionals that drive the improvement in distribution and transportation necessary to maximize an organization's efficiency and impact the bottom-line.

Book 1

Module 1: Logistics Fundamentals and Strategy

Module 2: Demand Management and Supply (Capacity Management)

Module 3: Customer and Order Management

Module 4: Warehouse Distribution/Fulfillment Center Management

Module 5: Inventory Management

Book 2

Module 6: Transportation Management

Module 7: Global Logistics

Module 8: Sustainability, Reverse Logistics, and Risk Management

Module 9: Logistics Framework, Metrics, Network Design, Transformation, and Improvement

How will I study?

Your CLTD journey will begin with the CLTD Learning System. The learning system is a comprehensive program that combines print and online reading materials, online practice tests and interactive study tools to ensure you're prepared for the exam. Choose from three flexible study options that fit your schedule and learning style: self-study, instructor-led or corporate/group learning.

The CLTD Learning System follows a three-step program to help you apply the concepts and test your understanding and retention of the information.

1. ASSESS

- η Complete the pretest to determine your current knowledge and identify areas for improvement.
- η Create a SmartStudy plan using your pretest results to identify your most challenging topics and estimate study time.

2. STUDY

- η Utilize convenient study options: read printed books or access online study materials via any mobile device, tablet, or computer - 24/7.
- η Benefit from microlearning features in the online learning system; focus on smaller content segments for a more efficient use of available time.
- η Take the chapter quizzes to test knowledge retention and receive immediate feedback, answer rationales and references to the relevant sections in the reading materials.
- η Complete the Learning activities, including new in-depth videos, and real-life case studies to help reinforce concepts presented.
- η Study flashcards to reinforce your memory of key terms, concepts and definitions.

3. PRACTICE

- η Take the practice exam which was designed to help users gain experience with the format of the computer-based exam.
- η Access additional information about the certification exam, study tools and test-taking tips.
- η Access the "My Progress" section to track your quiz scores and learning gain.

How do I test?

The exam is a computer-based exam consisting of 150 multiple choice questions answered within 3.5 hours, and you receive your results immediately after completing the exam. With a passing score, you can start using your new CLTD credential immediately!

Review the [APICSE Exam Handbook](#) for full details on the exam process and procedures prior to taking the exam.
